The Corporation of St. George's

November 26, 2008

Mr. Andrew Vaucrosson,
Greenrock,
Suite 324,
48 Par-la-Ville Road,
Hamilton HM 11.

Dear Mr. Vaucrosson,

Thank you so much for coming down to explain Earth Hour 2009. On behalf of the Corporation of St. George's I state that we are completely supportive of this endeavour.

It is truly an effort to benefit all, and if everyone does a little, the end result will be successful. It is time that we all come to the realization that something must be done to control, maintain and preserve for the future.

I have passed on copies of the information package to the members of the Corporation, and we are more than willing to do whatever we can to make this event significant.

Please accept this as our initial confirmation of support, and we look forward to helping to garner additional assistance in the future.

Yours sincerely,

Nancy Hooper
Secretary
