Event:

Heather Nova and Friends – Festival of Music Heather Nova has collaborated with Greenrock to create a unique and entertaining FREE summer concert with musical line-up of accomplished local and international artists. The list of musicians who have agreed to perform:

Heather Nova – Bermudian, International Recording Star
Geoffrey Oryema – Ugandan, International Recording Star
Fiona Pears – New Zealander, International Recording Star
Olybhosh – Chewstick Band – Bermudian Group
Joy Barnum – Bermudian
ATB – German, International Recording Star

We invite you to learn more about these artists and listen to samples of their music – visit our website

Purpose of Event:

There are two: (1) create an outdoor event that showcases Bermuda's natural beauty and diverse culture, and; (2) to provide a platform to show the public's support behind the sustainable development initiative. In addition to the entertainment, there will be an educational component where demonstrations and speakers will outline helpful tips on how to live more in harmony (both economically and from a health perspective) with Bermuda's delicate environment.

Background on Greenrock organization:

In 2003, 'The Greenrock Project' was registered under the Bermuda Charities Act. Established as a non-profit organization, Greenrock was created to encourage social and environmental harmony in Bermuda, through education and entertainment. Overtime, our goal is to encourage and empower individuals and companies to do their part in making Bermuda socially, economically and environmentally sustainable for future generations. This can only be achieved if Greenrock is able to act as a catalyst using various techniques to encourage companies and individuals to take action in order to meet the objectives required for sustainable development in Bermuda.

Patron Requirements:

We are asking individuals to donate \$250 to \$500 to our organization to help with this spectacular event. As a Patron, your name will appear in our Thank You Ads after the event in both local papers. Also, after the concert, your name will be archived on our website under 'Events' to acknowledge your support along with all photos and materials documenting this unique event.

Outline of Concert:

Saturday, June 9th (rain date Sunday, June 10th) from 3pm to 11 pm Festival style concert where performers will appear one after the other with very little time spent doing extensive sound checks. Speakers will appear between musical sets to educate and inform the audience about Greenrock activities relating to Sustainable Development. Held in the Arboretum Park, there will be demonstrations of the various projects Greenrock has collaborated on such as (but not limited to) E-scooters, Bio-Diesel, Home Wind Turbines, Dehumidifying Water Coolers. A wide range of ethnic foods will be available at the Food Court along with refreshments. Alcoholic beverages will be available at the Bar Tent...the first 'true' GREEN concert in Bermuda.
